

# **BENJAMIN ANDOH**

G740 Aya Street | Takoradi, Ghana | (+233) 546 83 0409 | benjamin.andoh@email.com

## **SUMMARY**

Software developer with 4 years of experience in engineering, developing and deploying software solutions. Proficient in multiple programming languages, including Java, Python, and C#. Strong analytical and problem-solving skills, with a proven ability to develop and implement innovative solutions.

## **SKILLS**

- Programming languages: Java, Python, C#, JavaScript
- Web development frameworks: Spring, React
- Databases: MySQL, Oracle, MongoDB
- Testing tools: Selenium, Appium
- Continuous integration/continuous deployment (CI/CD) tools: Jenkins, Docker

## **EXPERIENCE**

Software Developer, Amalitech

June 2019 - Present

- Collaborated with cross-functional teams to design, develop, and deploy software solutions that met customer requirements.
- Developed and maintained web applications using Java and Spring framework.
- Implemented database solutions using MySQL and Oracle
- Created automated test scripts using Selenium and Appium to ensure the quality of software releases.
- Managed software releases and deployments using Jenkins and Docker

Software Developer Intern, Amalitech

June 2018 - May 2019

- Worked with senior developers to design and develop software solutions.
- Assisted in the development and maintenance of web applications using Java and Spring framework.
- Participated in code reviews and provided feedback to improve the quality of code.
- Conducted unit testing to ensure the functionality of software components.

## **EDUCATION**

Bachelor of Science in Computer Science, Kwame Nkrumah University of Science and Technology

September 2015 - May 2019

## **CERTIFICATIONS**

Oracle Certified Java Programmer (OCJP)
